

RUBEN FERRER

Ruben Ferrer

COMPUTER TECHNICIAN

(+34)662 99 77 88- RUBEN123@GMAIL.com - <https://localhost.com>

My name is Ruben Ferrer. I am 20 years old and I am a computer technician. I live in Valencia. I like technology, fixing computers, and learning new things. I also worked as a cashier, so I have experience with customers.

EXPERIENCE I worked as a network technician at RedCom Solutions, where I installed network equipment and fixed problems. I also worked at TechFix Solutions, repairing computers and helping clients. I was also a cashier at a supermarket, helping customers and organizing products.

EDUCATION I went to primary school in Vinaros, then to high school. After that, I got a Medium Degree in Computer Science at Castellón Training Center. Finally, I studied at Valencia Technological Institute, where I got a Higher Vocational Degree in Web Development.

PROJECTS

Create the simulation company

We created a company in a business subject called "vision security" it was one of the best at the institute since we created a company website and simulated finance and customer graphs

DAW course final project

Creation of a final course project for a web service for a barbershop, using languages such as JS, PHP, and Linux command language. Creation of web server and creation of the web

SKILLS I am good at solving problems fast. I work well in a team, and I learn quickly. I know

RUBEN FERRER

a bit about cybersecurity and I am very organized. I like to help people and find solutions.
